They are wearing light summer clothes, T-shirts and shorts, because it is boiling hot here. They have also got their life jackets on because they follow safety instructions. As you can see my elder sister is standing opposite a group of young people who are wearing weird costumes. She is holding a camera in her hands because she is taking a picture of her friends. They are posing for the camera and smiling happily. They are all enjoying the moment.

They are sitting in a canoe and they are holding oars in their hands. They are rowing their boat. The sun is shining, the light breeze is blowing, the waves are splashing against the boat. It's an awesome day and they are enjoying the moment. At the same time I suspect they might be quite tired and they are dreaming about good lunch.
